Brdska Automoto trka Vlasenica - staza

Brdska auto trka "VLASENICA 2006" se održava na dijelu magistralnog puta M19, Vlasenica-Han Pijesak, taènije Vlasenica-Igrišta.

Dužina staze je 6950 metara. Staza je asfaltne podloge minimalne širine 6 metara. Staza je kompletno presvuæena novim asfaltom uoèi trke 2004. godine, i vozaèi su sa njom prethodne dvije godine bili više nego zadovoljni.

Trenutno asfaltni sloj na stazi je u jako dobrom stanju izuzev jednog dijela od 5 metara pored Gornjeg Zalukovika gdje se put malo odronio i trenutno se vrši sanacija tog dijela puta.

Start trke je u Vlasenici (Naselje Zajednica) koji se nalazi na 680 metara nadmorske visine, dok je cilj trke kod restorana "Javor" koji se nalazi na 1004 metra nadmorske visine.
